South Carolina	Proposed in state regulations, must be re-promulgated for adoption in 2013	Proposed in state regulations, must be re-promulgated for adoption in 2013	Proposed in state regulations, must be re-promulgated for adoption in 2013	Computer; computer monitor; television, printing devices	*Statute allows regulations for a manufacturer fee: "The department may propose by regulation, which must be submitted to the General Assembly pursuant to the Administrative Procedures Act, an initial registration fee or annual fee, or both, on computer or television manufacturers of covered devices, the proceeds of which must be used solely for the purposes of implementing the provisions of this chapter. Any fee proposed by the department must be graduated based on the computer manufacturer's volume of sales in this State. Any registration fee or annual fee for television manufacturers must be based on market share as defined in this chapter. A manufacturer of a covered device that sells one thousand or less per year is exempt from any fee."
Utah	N/A	N/A	None		
Virginia	N/A	N/A	None	Desktop and laptop computers, computer monitors	Annual Report Due January 31 with summary of previous year's takeback program and any changes

State	Manufacturers Registration Due (Annually)	Fees Due (Annually)	Fee Description	Covered Manufacturers	Fee Notes
<b>Flat Fee</b>					
Hawaii	1/1	1/1	\$5000 for CED (IT) and \$2500 for TV manufacturer (or \$7500 if both TV manufacturer and other CED manufacturer)	computers, printers, monitors and televisions	Manufacturers who manufacture 100 or fewer computers per year are exempt from this law. Note: Exemption is not based on sales. Manufacturers who sell 100 or fewer computers per year in Hawaii, yet manufacture more than 100 computers per year, are not exempt from this law. Exemption does not apply to printers or monitors (or televisions).
Indiana	1/1	1/1	\$5000 for first year registered; \$2500 for each year after	Manufacturers of video display devices sold or offered for sale to households	Manufacturers are exempt from fee for any year in which the combined number of video display devices produced for sale to households is less than 100.
